The Borrowers shall remain jointly and severally liable for any deficiency remaining unpaid after the application of proceeds in accordance with the foregoing provisions. The Borrowers agree that all amounts received with respect to any of the Obligations, whether by realization on the Collateral or otherwise, shall be applied to the payment of the Obligations in accordance with the provisions of this §3.

**§4. REPRESENTATIONS AND COVENANTS OF THE BORROWERS.**

(a) Real Property. Each Borrower represents to the Agent and the Banks that the real property listed underneath such Borrower's name on Schedule 4 hereto constitutes all of the real property which such Borrower owns or leases. Each Borrower agrees to notify the Agent of any other real property which such Borrower may hereafter acquire or lease.

(b) Rolling Stock. Each Borrower represents to the Agent and the Banks that the Rolling Stock (as defined in this §4(b)) listed underneath such Borrower's name on Schedule 2 hereto constitutes all of the Rolling Stock which such Borrower owns or leases. Each Borrower agrees not to change any

markings or serial numbers on any of the Rolling Stock listed on Schedule 2 until after such Borrower has given notice in writing to the Agent of its intention to make such change. Each Borrower agrees to notify the Agent of any other Rolling Stock which such Borrower may hereafter acquire or lease. Each Borrower agrees that it will execute and deliver to the Agent supplemental security agreements and other instruments, as referred to in paragraph (j) below of this §4, and file the same in the appropriate recording offices (i) with respect to the Rolling Stock listed underneath such Borrower's name on Schedule 2 hereto, (ii) at such times as any assignable right, title or interest is acquired in the future by such Borrower in any other Rolling Stock and (iii) at such times as any change is made in one or more of the markings or serial numbers on any of the Rolling Stock listed underneath such Borrower's name on Schedule 2 hereto or on any other Rolling Stock owned or leased by such Borrower. All such supplemental security agreements and other instruments shall secure all of the Obligations pro rata and shall be on terms and conditions satisfactory to the Agent as evidenced by its written consent thereto. The term "Rolling Stock" as used herein means all rolling stock of every kind and description, locomotives and all other rail cars.

(c) Motor Vehicles. Each Borrower represents and warrants to the Agent and covenants with the Agent that except as permitted by §4(e) hereof, (i) Collateral for which motor vehicle or any other certificate of title is required is listed underneath such Borrower's name on Schedule 1 attached hereto, and such Collateral is titled in the jurisdictions located in the United States of America set forth opposite such portion of the Collateral listed on Schedule 1 hereto and will remain titled in such jurisdictions, and (ii) Collateral for which no certificate of title is required, but for which registration under motor vehicle laws is required, is registered in the jurisdictions located in the United States of America listed underneath such Borrower's name on Schedule 1 and will remain registered in such jurisdictions. Each Borrower further represents and warrants to the Agent that all certificates of title and related applications for title for the Collateral listed underneath such Borrower's name on Schedule 1 have been, or will be within thirty (30) days after the date hereof, endorsed to reflect the security interest granted hereunder to the Agent, and that the original certificates of title and fully executed related applications for certificates of title shall have been delivered to the Agent.

(d) Patents, Trademarks, Copyrights. Each Borrower represents to the Agent that as of the date hereof, except as set forth underneath such Borrower's name on Schedule 5 hereto, it has no right, title or interest in any patent, trademark registrations, copyright registrations or service mark registrations, or in any pending applications for the same and agrees promptly to furnish to the Agent written notice of each such patent, trademark, copyright or service mark registrations, or any applications for same, in which it may hereafter acquire any right, title or interest. Each Borrower shall, on request by the

Agent, execute, acknowledge and deliver all such documents and instruments as the Agent may reasonably require to confirm the Agent's security interest in and to any such patent, trademark or service mark registrations, or application for the same as part of such Collateral hereunder and appoints the Agent as such Borrower's attorney-in-fact to execute and file the same.

(e) Location of Chief Executive Offices; Tax Identification Numbers; Locations of Collateral. Each Borrower represents to the Agent that the address listed under such Borrower's name on Schedule 6 hereto is such Borrower's chief executive office, at which location its books and records are kept. Each Borrower further represents that the number listed under such Borrower's name on Schedule 6 hereto is such Borrower's federal tax identification number. Each Borrower further represents that Schedule 6 hereto is a true and correct list of all localities where property comprising a part of the Collateral (other than interests in real property set forth in Schedule 4) is located. Each Borrower agrees that it will not change its federal tax identification number or the location of its chief executive office or the location where its books and records are kept, except as permitted by §8.15 of the Credit Agreement.

(f) Ownership of Collateral.

(i) The Borrowers represent that they are the owners of the Collateral free from any adverse lien, security interest or encumbrance, except as permitted by §8.2 of the Credit Agreement as such agreement is in effect on the date hereof.

(ii) Except for the security interests herein granted and except as permitted by §8.2 of the Credit Agreement, the Borrowers shall be the owners of the Collateral free of any Lien and the Borrowers shall defend the same against all claims and demands of all persons at any time claiming the same or any interest therein adverse to the Agent or any of the Banks. Except as otherwise permitted by the Credit Agreement, the Borrowers shall not pledge, mortgage or create or suffer to exist a security interest in the Collateral in favor of any person other than the Agent, for the benefit of the Banks and the Agent.

(g) Sale or Disposition of Collateral. Except as permitted by §§8.3 and 8.4 of the Credit Agreement, no Borrower will sell or offer to sell or otherwise transfer the Collateral, any portion thereof, or any interest therein except for sales of inventory in the ordinary course of business.

(h) Insurance. The Borrowers shall have and maintain at all times with respect to the Collateral such insurance as is required by the Credit Agreement, such insurance to be payable to the Agent as loss payee for the benefit of the Banks and the Agent and to such Borrower as their interests may

appear. All policies of insurance shall provide for a minimum of thirty (30) days' prior written cancellation notice to the Agent. In the event of failure to provide and maintain insurance as herein provided, the Agent may, at its option, provide such insurance, and the Borrowers hereby promise to pay to the Agent on demand the amount of any disbursements made by the Agent for such purpose. The Borrowers shall furnish to the Agent certificates or other evidence satisfactory to the Agent of compliance with the foregoing insurance provisions. The Agent may act as attorney for the Borrowers in obtaining, adjusting, settling and cancelling such insurance and endorsing any drafts; and any amounts collected or received under any such policies shall be applied by the Agent to the Obligations in accordance with the provisions of §3, or at the option of the Agent, the same may be released to the Borrowers, but such application or release shall not cure or waive any default hereunder and no amount so released shall be deemed a payment on any Obligation secured hereby.

(i) Maintenance of Collateral. The Borrowers will keep the Collateral in good order and repair and will not use the same in violation of law or any policy of insurance thereon. The Agent, or its designee, may inspect the Collateral at any reasonable time, wherever located. Except as otherwise provided in the Credit Agreement, the Borrowers will pay promptly when due all taxes and assessments upon the Collateral or incurred in connection with the use or operation of such Collateral or incurred in connection with this Agreement. In its discretion, the Agent may discharge taxes and other encumbrances at any time levied or placed on the Collateral which remain unpaid in violation of the Credit Agreement, make repairs thereof and pay any necessary filing fees. The Borrowers agree to reimburse the Agent on demand for any and all expenditures so made, and until paid, the amount thereof shall be Obligations secured by the Collateral. The Agent shall have no obligation to the Borrowers to make any such expenditures, nor shall the making thereof relieve the Borrowers of any default.

(j) Creation and Perfection of Lien. The Borrowers represent and warrant to the Agent and covenant with the Agent that this Agreement creates a valid security interest in the Collateral as security for the payment and performance of the Obligations. Upon (i) the filing and recording of this Agreement with the Interstate Commerce Commission (the "ICC") in accordance with §11303 of Title 49 of the United States Code and the rules and regulations thereunder, (ii) the filing of UCC financing statements in the form attached hereto as Exhibit A (the "Financing Statements") under the Uniform Commercial Code as the same may be in effect from time to time in the States of California, Colorado, Georgia, Illinois, Iowa, Kansas, Oklahoma, Ohio, Oregon and Texas (the "UCC"), naming the appropriate Borrower as debtor and the Agent as secured party, and (iii) the presentation to the Department or Registry of Motor Vehicles of each jurisdiction in which the Collateral is titled, as set forth on Exhibit B attached hereto, of applications for titles with the lien of the

Agent noted thereon in the form of Exhibit C attached hereto, all filings, assignments, pledges and deposits of documents or instruments will have been made and all other actions will have been taken that are necessary or advisable, under applicable law, to establish and perfect or to continue the perfection of, as the case may be, the security interest of the Agent for the benefit of the Banks and the Agent in such of the Collateral as to which a security interest may be perfected by filing under the UCC, the Interstate Commerce Act of 1887, as amended (the "ICA"), or with such Departments or Registries of Motor Vehicles, and such security interest shall remain prior to all other Liens, except as contemplated by the Credit Agreement. No further filings, recordings or other actions are or will be necessary to maintain the priority of such security interest other than the filing of UCC continuation statements within six months prior to the expiration of a period of five years after the original filing thereof. The Collateral and the Agent's rights with respect to the Collateral are not subject to any setoff, claims, withholdings or other defenses. The Borrowers are the owners of the Collateral free from any adverse lien, security interest or encumbrance, except as permitted by the Credit Agreement as such agreement is in effect on the date hereof.

(k) No Further Actions. Except for the filings referred to in paragraph (j) above and as otherwise specified in §4.2 of the Credit Agreement, no authorization, approval or other action by, and no notice of filing with, any governmental authority or regulatory body or other Person that has not been received, taken or made is required (i) for the grant by the Borrowers of the security interest granted hereby or for the execution, delivery or performance of this Agreement by any Borrower, (ii) for the perfection and maintenance of the security interest hereunder (including the first priority nature of such security interest with respect to Collateral of the Borrowers), or (iii) for the exercise by the Agent of the rights or the remedies in respect of the Collateral pursuant to this Agreement.

(l) Accounts Receivable. The Borrowers shall keep or cause to be kept separate records of accounts which are complete and accurate in all material respects, and from time to time upon the request of the Agent, shall deliver to the Agent a list of the names, addresses, face value, and dates of invoices for each debtor obligated on such an account receivable.

(m) Government Contracts. Each Borrower agrees that it shall execute all such documents, and take all such actions, as the Agent shall determine to be necessary or appropriate from time to time under the federal Assignment of Claims Act of 1940, as amended, in order to confirm and assure to the Agent, for the benefit of the Banks and the Agent, its rights under this Agreement with respect to any and all Collateral consisting of such Borrower's rights to monies due or to become due under any contracts or agreements with or orders from the United States government or any agency or department thereof the assignment

of which is not prohibited by such contract or agreement (collectively, "Government Receivables"). Without limiting the generality of the foregoing, each Borrower agrees that simultaneously with the execution and delivery of this Agreement it shall execute and deliver to the Agent a confirmatory assignment substantially in the form of Exhibit D attached hereto (a "Confirmatory Assignment") with respect to each Government Receivable existing on the date hereof where the aggregate proceeds payable to such Borrower thereunder exceed \$100,000, and within ten Business Days after the creation of any such new Government Receivable, such Borrower shall execute and deliver to the Agent a Confirmatory Assignment with respect thereto. Each Borrower hereby irrevocably authorizes the Agent, or its designee, at such Borrower's expense, to file with the United States government (or the appropriate agency or instrumentality thereof) a notice of each assignment of a Government Receivable substantially in the form of Exhibit E attached hereto (a "Notice of Assignment"), to which a copy of the relevant Confirmatory Assignment may be attached, and appoints the Agent as such Borrower's attorney-in-fact to execute and file any such Confirmatory Assignments, Notices of Assignment and any ancillary documents relating thereto.

(n) Securities. Each Borrower agrees that (i) it shall deliver and pledge to the Agent hereunder, for the benefit of the Banks and the Agent, those certificates representing the capital stock of any Person held by such Borrower as set forth on Schedule 7 attached hereto, and (ii) it shall forthwith deliver and pledge to the Agent hereunder all certificates representing securities which it shall acquire, whether by purchase, stock dividend, distribution of capital or otherwise, in the case of each of clauses (i) and (ii), together with stock powers or other appropriate instruments of assignment with respect thereto, duly executed in blank.

(o) Further Assurances By the Borrowers. Each Borrower agrees to execute and deliver to the Agent from time to time at its request all documents and instruments, including financing statements, supplemental security agreements, notices of assignments under the United States Assignment of Claims Act and under similar or local statutes and regulations, and to take all action as the Agent may reasonably deem necessary or proper to perfect or otherwise protect the security interest and lien created hereby.

**§5. POWER OF ATTORNEY**. (a) The Borrowers acknowledge the Agent's right, to the extent permitted by applicable law, singly to execute and file financing or continuation statements and similar notices required by applicable law, and amendments thereto, concerning the Collateral without execution by any Borrower. A carbon, photographic or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law.

(b) The Borrowers hereby irrevocably appoint the Agent as each Borrower's attorney-in-fact, effective at all times subsequent to the occurrence of an Event of Default (as defined herein), and during the continuance thereof, with full authority in the place and stead of such Borrower and in the name of such Borrower or otherwise, to take any action and to execute any instrument which the Agent may deem necessary or advisable to accomplish the purpose of this Agreement, including, without limitation, the power and right (i) to endorse any Borrower's name on any checks, notes, acceptances, money orders, drafts, filings or other forms of payment or security that may come into the Agent's possession, and (ii) to do all other things which the Agent then determines to be necessary to carry out the terms of this Agreement. The Borrowers ratify and approve all acts of such attorney-in-fact. The power conferred on the Agent hereunder is solely to protect the Agent's interests in the Collateral and shall not impose any duty upon the Agent to exercise such power.

**§6. SECURITIES AS COLLATERAL.** (a) Upon the occurrence and during the continuance of an Event of Default, the Agent may at any time, at its option, transfer to itself or any nominee any securities constituting Collateral, receive any income thereon and hold such income as additional Collateral or apply it to the Obligations. Subject to the terms and provisions of the Pledge Agreements, if the Agent so elects to exercise its right herein and gives notice of such election to the Borrowers, upon the occurrence and during the continuance of an Event of Default to the extent permitted under applicable law, the Agent may vote any or all of the securities constituting Collateral possessing voting rights (whether or not the same shall have been transferred into its name or the name of its nominee or nominees) and give all consents, waivers and ratifications in respect of the securities constituting Collateral and otherwise act with respect thereto as though it were the outright owner thereof, each Borrower hereby irrevocably constituting and appointing the Agent the proxy and attorney-in-fact of such Borrower, with full power of substitution, to do so. Subject to the terms and provisions of the Pledge Agreements, so long as no Event of Default is continuing, each Borrower shall be entitled to receive all cash dividends paid in respect of the securities of which such Borrower is the registered owner, to vote such securities and to give consents, waivers and ratifications in respect of such securities, provided that no vote shall be cast, or consent, waiver or ratification given or action taken which would be inconsistent with or violate any provisions of any of the Loan Documents or this Agreement.

(b) Except as otherwise provided in the Credit Agreement, any sums paid upon or with respect to any of the securities upon the liquidation or dissolution of the issuer thereof shall be paid over to the Agent to be held by it as security for the Obligations; and in case any distribution of capital shall be made on or in respect of any of the securities or any property shall be distributed upon or with respect to any of the securities pursuant to the recapitalization or reclassification of the capital of the issuer thereof or pursuant to the

reorganization thereof, the property so distributed shall be delivered to the Agent to be held by it as security for the Obligations. Except as otherwise provided in the Credit Agreement, all sums of money and property paid or distributed in respect of the securities upon such a liquidation, dissolution, recapitalization or reclassification which are received by any Borrower shall, until paid or delivered to the Agent, be held in trust for the Agent as security for the Obligations.

**§7. ACCOUNTS RECEIVABLE.** Upon the occurrence of a Default or an Event of Default, the Agent may request that debtors on accounts receivable of a Borrower or obligors on accounts, chattel paper or general intangibles of a Borrower or obligors on instruments for which a Borrower is an obligee or lessees or conditional vendees under agreements governing the leasing or selling by conditional sale of Collateral by a Borrower be notified of the Agent's security interest. Until the Agent requests such a notification, the applicable Borrower shall continue to collect payment thereof. Upon the making of such a request by the Agent, such Borrower shall hold the proceeds received from collection as trustee for the Agent and shall turn the same over to the Agent, or to such other bank as may be approved by the Agent, immediately upon receipt in the identical form received. Upon the occurrence and during the continuance of a Default or an Event of Default, each Borrower shall, at the request of the Agent, notify such account debtors and obligors that payment thereof is to be made directly to the Agent, and the Agent may itself at any time, without notice to or demand upon such Borrower, so notify such account debtors and obligors. The making of such a request or the giving of any such notification shall not affect the duties of each Borrower described above with respect to proceeds of collection of accounts receivable received by such Borrower. The Agent shall apply the proceeds of such collection received by the Agent to the Obligations in accordance with §3 of this Agreement. The application of the proceeds of such collection shall be conditional upon final payment in cash or solvent credits of the items giving rise to them. If any item is not so paid, the Agent in its discretion, whether or not the item is returned, may either reverse any credit given for the item or charge it to any deposit account maintained by such Borrower with the Agent.

**§8. EVENTS OF DEFAULT; REMEDIES.** (a) Upon the occurrence of an Event of Default (as hereinafter defined), whether or not the Obligations are due, the Agent may demand, sue for, collect, or make any settlement or compromise it deems desirable with respect to the Collateral.

(b) An "Event of Default" hereunder shall mean (i) that a representation, warranty or certification made in this Agreement or in any document executed or delivered from time to time relating to this Agreement is materially untrue, misleading or incomplete in its recital of any facts at the time as of which such representation, warranty or certification, as the case may be, is made or (ii) any

Event of Default as that term is defined in the Credit Agreement or any of the other Loan Documents, whether or not any acceleration of the maturity of the amounts due in respect of any of the Obligations shall have occurred.

(c) Upon the occurrence and during the continuance of an Event of Default, to the fullest extent permitted by applicable law, in addition to the remedies set forth elsewhere in this Agreement:

(i) The Agent shall have, in addition to all other rights and remedies given it by any instrument or other agreement evidencing, or executed and delivered in connection with, any of the Obligations and otherwise allowed by law, the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Collateral may be located and the rights and remedies of a secured party holding a security interest in collateral pursuant to the ICA, and without limiting the generality of the foregoing, the Agent may immediately, without (to the fullest extent permitted by law) demand of performance or advertisement or notice of intention to sell or of time or place of sale or of redemption or other notice or demand whatsoever, (except that the Agent shall give to the Borrowers at least ten days' notice of the time and place of any proposed sale or other disposition), all of which are hereby expressly waived to the fullest extent permitted by law, sell at public or private sale or otherwise realize upon, in the City of Boston, Massachusetts, or elsewhere, the whole or from time to time any part of the Collateral in or upon which the Agent shall have a security interest or lien hereunder, or any interest which the Borrowers may have therein, and after deducting from the proceeds of sale or other disposition of the Collateral all expenses (including all reasonable expenses for legal services, including, without limitation, reasonable allocated costs of staff counsel) as provided in §12, shall apply the residue of such proceeds toward the payment of the Obligations in accordance with §3 of this Security Agreement, the Borrowers remaining jointly and severally liable for any deficiency remaining unpaid after such application. If notice of any sale or other disposition is required by law to be given to the Borrowers, each of the Borrowers and the Agent hereby agrees that a notice given as hereinbefore provided shall be reasonable notice of such sale or other disposition. The Borrowers also agree to assemble the Collateral at such place or places as the Agent reasonably designates by written notice. At any such sale or other disposition the Agent may itself, and any other person or entity owed any Obligation may itself, purchase the whole or any part of the Collateral sold, free from any right of redemption on the part of the Borrowers, which right is hereby waived and released to the fullest extent permitted by law.

(ii) Furthermore, without limiting the generality of any of the rights and remedies conferred upon the Agent under §8(c)(i) hereof, the Agent to the fullest extent permitted by law, may enter upon the premises of the Borrowers or any Borrower, exclude the Borrowers or such Borrower therefrom and take immediate possession of the Collateral, either personally or by means of a receiver appointed by a court therefor, using all necessary force to do so, and may, at its option, use, operate, manage and control the Collateral in any lawful manner and may collect and receive all rents, income, revenue, earnings, issues and profits therefrom, and may maintain, repair, renovate, alter or remove the Collateral as the Agent may determine in its discretion, and any such monies so collected or received by the Agent shall be applied to, or may be accumulated for application upon, the Obligations in accordance with §3 of this Agreement.

(iii) The Agent agrees that it will give notice to the Borrowers of any enforcement action taken by it pursuant to this §8 promptly after commencing such action.

(iv) Each Borrower recognizes that the Agent may be unable to effect a public sale of the securities by reason of certain prohibitions contained in the Securities Act of 1933, as amended, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers consistent with all applicable laws. Each Borrower agrees that any such private sales may be at prices and other terms less favorable to such Borrower than if sold at public sales and that such private sales shall not by reason thereof be deemed not to have been made in a commercially reasonable manner. The Agent shall be under no obligation to delay a sale of any of the securities for the period of time necessary to permit the issuer of such securities to register such securities for public sale under the Securities Act of 1933, as amended, even if the issuer would agree to do so.

**§9. MARSHALLING.** Neither the Agent nor any Bank shall be required to marshal any present or future security for (including but not limited to this Agreement and the Collateral subject to the security interest created hereby), or guaranties of, the Obligations or any of them, or to resort to such security or guaranties in any particular order; and all of its rights hereunder and in respect of such securities and guaranties shall be cumulative and in addition to all other rights, however existing or arising. To the extent that they lawfully may, the Borrowers hereby agree that they will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Agent's rights under this Agreement or under any other instrument evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or guaranteed, and to

the extent that they lawfully may do so the Borrowers hereby irrevocably waive the benefits of all such laws. Except as otherwise provided by applicable law, the Agent shall have no duty as to the collection or protection of the Collateral or any income thereon, nor as to the preservation of rights against prior parties, nor as to the preservation of any rights pertaining thereto beyond the sole custody thereof.

**§10. BORROWERS' OBLIGATIONS NOT AFFECTED.** To the extent permitted by law, the obligations of the Borrowers under this Security Agreement shall remain in full force and effect without regard to, and shall not be impaired by (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Borrower, to the extent permitted by law; (b) any exercise or nonexercise, or any waiver, by the Agent or the Banks of any right, remedy, power or privilege under or in respect of any of the Obligations or any security therefor (including this Agreement); (c) any amendment to or modification of any instrument evidencing any of the Obligations or pursuant to which any of them were issued; (d) any amendment to or modification of any instrument or agreement (other than this Agreement) securing any of the Obligations; or (e) the taking of additional security for or any guaranty of any of the Obligations or the release or discharge or termination of any security or guaranty for any of the Obligations; and whether or not the Borrowers shall have notice or knowledge of any of the foregoing.

**§11. NO WAIVER.** No failure on the part of the Agent to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise by the Agent of any right, remedy or power hereunder preclude any other or future exercise of any other right, remedy or power. Each and every right, remedy and power hereby granted to the Agent or the future holders of any of the Obligations or allowed to any of them by law or other agreement, including, without limitation, each of the Loan Documents, shall be cumulative and not exclusive of any other, and, subject to the provisions of this Agreement, may be exercised by the Agent or any of the Banks or the future holders of any of the Obligations from time to time.

**§12. EXPENSES.** The Borrowers jointly and severally agree to pay, on demand, all reasonable costs and expenses (including reasonable attorneys' fees and expenses for legal services of every kind, including, without limitation, reasonable allocated costs of staff counsel) of the Agent and the Banks incidental to the sale of, or realization upon, any of the Collateral or in any way relating to the perfection, enforcement or protection of the rights of the Agent hereunder; and the Agent or any of the Banks may at any time apply to the payment of all such costs and expenses all monies of the Borrowers or other proceeds arising from its possession or disposition of all or any portion of the Collateral.

**§13. CONSENTS, AMENDMENTS, WAIVERS.** Any term of this Agreement may be amended, and the performance or observance by the Borrowers of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only in accordance with §21 of the Credit Agreement.

**§14. GOVERNING LAW.** Except as otherwise required by the laws of any jurisdiction in which any Collateral is located, this Agreement shall be deemed to be a contract under seal and shall for all purposes be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts.

**§15. PARTIES IN INTEREST.** All terms of this Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto, provided that no Borrower may assign or transfer its rights hereunder without the prior written consent of the Agent. Any assignment or transfer by any of the Borrowers of its rights hereunder in violation of this Agreement shall be void.

**§16. COUNTERPARTS.** This Agreement and any amendment hereof may be executed in several counterparts and by each party on a separate counterpart, each of which when so executed and delivered shall be an original, but all of which together shall constitute one instrument. In proving this Agreement it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought.

**§17. TERMINATION.** Upon the indefeasible payment in full in cash of the Obligations in accordance with their terms, this Agreement shall terminate and the Agent shall return to the Borrowers, at the expense of the Borrowers, such Collateral in the possession or control of the Agent as has not theretofore been disposed of pursuant to the provisions hereof and shall deliver to the Borrowers documents in recordable form sufficient to discharge the liens and security interests granted hereunder.

**§18. NOTICES.** Except as otherwise expressly provided herein, all notices and other communications made or required to be given pursuant to this Agreement shall be made in accordance with the provisions of §18 of the Credit Agreement.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be duly executed as an instrument under seal by their authorized representatives as of the date first written above.
